**SUPPLEMENTAL REISSUE DECLARATION AND
SUPPLEMENTAL CONSENT OF ASSIGNEE**

Sir:

Applicants' representative would like to thank Examiner Freay for the courtesies extended during an interview conducted on October 12, 2007. During the interview, the Examiner indicated that the original Reissue Declaration filed with the reissue application is defective and that an updated Consent of Assignee is required. Specifically, the Examiner indicated that a specific claim and language therein must be identified in the Reissue Declaration and that a new Consent of Assignee is required to reflect the change of entity from Copeland Corporation to Emerson Climate Technologies, Inc. Accordingly, Applicants submit herewith a Supplemental Reissue Declaration and a Supplemental Consent of Assignee.

If the Examiner believes personal communication will expedite prosecution of the subject application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: October 19, 2007
